Directions:

1. From the center of Lal Lal, go eastward along Lal Lal Falls Road for 700m.
2. Turn right onto Ironmine Road. Follow the signs to the “Blast Furnace” 4.8km down the road. Note the following:
 - (a) at 3.0km, the road changes from bitumen to gravel.
 - (b) at 3.5km, pass the sign for “Lal Lal Bungal Historic Area.” Keep going straight.
 - (c) at 4.0km, there is a fork in the road. It is really a large turning circle with a CFA water supply in the middle. Veer to the left for a nice view of the dam.
 - (d) at 4.1km (far side of the circle) follow the sign to “Blast Furnace Picnic Area.” Proceed down the hill 700m to the start / finish area. *Wet weather note: The track leading down to the picnic area is a winding, single lane dirt track that may be slippery when wet. If wet, have a look at the track before proceeding down.*
