5. ANNUAL REPORTS:

5.1. Presidents Report by Stephen McLennan.

Attached at bottom

5.2. Cross country report by Michelle Hawkes.

Great year last year. Running with Eureka has been a good success again with big field in all our Ballarat events. Our junior athletes have been outstanding and we have had great results throughout the Cross Country season in Ballarat, Av and National levels.

Harry Sharp and Andrew Amor had the most outstanding performance in the AV XCR'17 competition to win all the individual events in the under 16 age group and under 18 group which was a great feat as they are very hard races.

Junior report by Michelle Hawkes

- Our cross country juniors were way down in numbers last year, which was disappointing, but everyone had a good season. This year is looking a little more promising with few new faces.
- The Wendouree Junior track and field is going really well, we had about 300 kids registered, it was a very busy season. We are enjoying having our new facilities up and running. This junior program is the major fundraising for the Wendouree Athletics.

5.3. Track and field report by Neville Down

Wendouree A grade men won the Lachlan Shield.

Nev will email a report through.

Attached also is the performance report for all our athletes throughout the season.

5.4. Woody Yaloak report by Peter Luke

Woody Yaloak have celebrated 20 years.

5.5. Treasurers Report by Alison Fidler

- Bank account is looking good, we have a term deposit due in May.
- Banksia account is looking like we may still get a little more money back, possibly another 7%. We have 82% back at this stage.
- We need to get more senior athletes involved with our Friday Night Junior Athletics, this is our major fundraiser and it would be great to see more senior athletes helping out on the Friday night.

6. FINANCIAL STATEMENT

Presented by Alison Fidler.

I would like to say that our bank account is still looking very healthy, we have had a cheque of \$6,500 from our Junior Track and Field competition. This is our major fundraising for the club. We also have our term deposit due in May. Again, our major expense for the year has were the trophies.

President Report 2018

To start with I would like to thank all members of the Wendouree Athletic Club for another exciting year, on and off the track with the Country championships being held in Ballarat. We asked a lot of our members during the time of Ballarat conducting this event, especially as it was held on the Australia Day weekend. Off the track the Wendouree Juniors Athletics have finally had an upgrade to their facilities, after many years. We now have a fantastic throws and jumps area to hold our competitions on a Friday night during the track and field season at the Wendouree Oval.

I again would like to thank Michelle Hawkes for her work, time and effort during the year. As most of you would know almost all of the club's activities go through the club secretary and again we have had a very busy year; thank you Michelle.

Keeping track of the club's financial situation is also a time-consuming task and our treasurer Alison Fidler has also had a very busy year. We thank you Alison for your time and effort again this year. For all the people that have kept up to date with the club's athlete performance via the club's Facebook page Caitlin Christie has again done a fantastic job. She has kept us all informed with every athlete's performance and effort throughout every major competition and championship event. Caitlin works tirelessly to get the results out to us all, mostly complying the results after a long day/night of officiating. On behalf of the club I would like to thank Caitlin for her dedication and the time she spends informing all the club members of the club's performances.

Kris Davis, Leanne Hopkins, Alison Fidler, Michelle Hawkes and along with myself and our families are part of a core group that keep our Friday night junior track and field competition going strong. We have also seen many of our former junior athletes come back and assist each week in helping run the events. We have seen a couple of senior athletes come along too, but it would be great to see a lot more come and help out and maybe even mentor our juniors. It is a great program.

Congratulations to the winners of the club's two major trophies, the Brian Gudgeon trophy and the Bill Cleary trophy; Michelle Hawkes and Caitlin Christie you have earned the title of Best Club person for your dedication to the club over the past year.

Looking forward to another great year.

Stephen McLennan.
