Financial Report - (Alison Fidler)

Telstra have finally change the shares out of Craig McLennan's name and into Alison's name. We have a term deposit due in May.

Social Report - (Michelle Hawkes)

We had our social night and presentations on Saturday 24th March. Numbers were a little down, but for those of us that attended the bowling it was really fun. The presentation was also good with a few more turning up. The meals were very good and very reasonable priced.

Woody Yaloak Report - (Peter Luke)

Woody Yaloak have celebrated their 20th anniversary, we sent a congratulations and Peter replied: "We had 90 kids running around plus mums and dads. Great night conditions great with catering under marquees outside. Night consisted on 10 heats of seven over 100m, 4 semis and a final, all on handicap. Then eats, then trophies inside. We then went back outside to finish off the catering and drinks (alcoholic for parents) finished around 9pm"

BRAC Report - (Steve McLennan)

The Brac meeting was held on the 26th March. There was a track and field forum and details will be sent out shortly. Cross country events will now have to have permits for all events that are run on council land.

Junior Report – Track & Field – (Kris Davis)

The Junior presentations were held on the 16th March and along with the council opening of the athletic area. We had 50 pizzas' but need about 100. It was a good night with lots of very happy little faces. The winners of the Gudgeon Trophy were Josh Nash and Grace Hunt.

Cross Country Report – (Steve McLennan)

Summer Lap of the lake was held on Wednesday 21st March starting @ The Yacht Club @ 6.30pm

The handicap winner was Kris Davis, with Xavier Rennison 2nd and Karla Treweek 3rd. Fastest time went to Andrew Amor. We are now looking forward to the start of the season with the Easter relays on the 31st March and then the President 3km on the 7th April.

There has been one change to the program already with the Chas Suffren 14th July being moved to the Smythedale Equestrian Centre.

General Business:

Steve McLennan	With Cross Country starting we will need help with course marking etc. The junior program will be a shortened program with around 16 weeks and again we will need help to keep it going and encourage all the kids.
Michelle Hawkes	Nil
Phil McLennan	Points score for aggregate will be 50,45,42 40, 39 etc and we will only be scored on the runs where we run together and the BRAC events. With double points for the Kingsley Curtis and the Macaulay Lap of the Lake. We will accumulate the points and they will be published each week until the final 4 weeks.
Alison Fidler	Nil
Brendan Hawkes	Nil
Kris Davis	Talked about the licensing of the CE Brown Reserve and what Wendouree want: sole use of the 2 storage sheds that contains our equipment, ovals, athletic area, use of toilets, meeting room, hall for presentations and kitchen and at other times by mutual agreement. We also need a space to put our honour boards etc. Whose responsibility is it to maintain the cleanly ness of the hall, toilets etc?
