

WENDOUREE JUNIOR TRACK AND FIELD SEASON 2020-2021

Hi Everyone,

We hope you have all been well.

We apologise for not putting out some information earlier, but we have been waiting for more information on how (in the current Covid 19 restrictions) we will be able to conduct our Junior Athletics.

Unfortunately, the information is still not available and at this stage it looks like we will not be able to update you all until early November.

We are really hoping that we will be able to start our Junior Athletics very soon after we do receive any information or when there is a change of restrictions.

We will keep you all up to date and we hope the kids are super keen for the Wendouree Junior Athletics to start as soon as possible.

Hope to see you all soon.

The Wendouree Junior Athletics Committee.
