Reports:

Financial Report - (Alison Fidler)

Received Telstra Dividend of \$160. Term deposit is due on 17th February 2021.

We added Michelle on the signatory on all accounts and she now has a bank card to be able to pay for the Junior purchases etc.

Social Report - (Michelle Hawkes)

Seen we have had a virtual cross-country season should we have a virtual break up to announce winners.

Fundraising Report - (Michelle Hawkes)

Nil

Woody Yaloak Report - (Peter Luke)

Report attached

BRAC Report - (Nev Down)

AGM was held on the 7th September and there was no change to the executive board. After the meeting we had a meeting about opening Llanberris in which common sense prevailed. Caitlin is also now on the COVID committee to help make changes and decisions quickly and easily.

AV Report-

Nil

Cross Country Report – (Phil McLennan)

The virtual cross country has now finished and a what a great response we had throughout the season. Thank you to all those that have supported the concept. Cross Country breakup will be virtual just to keep going with the virtual theme for this year. We will hold it on Saturday 10th October at 7.30pm. Michelle will organise the prizes etc.

We will continue the virtual aspect into the next season that will hopefully keep people always engaged with the club.

Track Report – (Nev Down)

Nev had a meeting tonight and there is not a lot to report. At this stage they are looking at running a limited amount of events only those that are easy to run time wise and clean.

Junior Report – Cross Country & Track – (Michelle Hawkes)

Do we look at trying to start Cross Country again? At this stage we will go have a look and see how busy it is on a Friday now that cricket training has started back to see if Wendouree is viable.

We need to put out a statement about Junior Aths.

Moved: Tyler Davis

Seconded: Kris Davis

General Business:

| | |
|------------------|---|
| Brendan Hawkes | Troy Drever is going to email what he has with signs. Contacted Michael Hines about 3 rd discus ring and will get back to us. We need to chase up trophies from last year. |
| Michelle Hawkes | The club needs to look at helping out disadvantaged athletes especially with the current conditions. We need to make the athletes aware that we as a club can help from sharing the cost of fees or a club singlet or coaching. As it would be a case by case decision. The athlete would need to apply via an application or by advice from coaches or committee member etc. Discretion and privacy would be of most importance. Information will be place on the website. |
| Alison Fidler | Nil |
| Kris Davis | Nil |
| Phil McLennan | Has written a letter to the cricket and football club to be passed on re: naming of meeting room. |
| Tyler Davis | Nil |
| Caitlin Christie | Mask we got a couple of quotes the Project company was \$8.50 each min order 100. S3 promotion \$15.50 each with no minimum. Project company look good and are to regulation. Caitlin will follow up. Sat in on a Proud 2 play seminar AA and Av are partners and we should look at being involved. |

20 September 2020

The Woody Yaloak Athletic Club recently completed the 2020 Cross Country season. After 20 weeks of Virtual competition, which saw 56 registered athletes competing with their families over traditional, remarked, and new courses; the club finished the season with a family orienteering activity in the Haddon Common. The final individual handicap run was the Liversage family (sponsor) PINK run in Ross Creek in which all runners were encouraged to wear pink to promote females in sport.

The senior aggregate champion was Chris Emmerson, and the junior champion was Dempsey Martin.

The club is eagerly awaiting advice and direction for the 2020-2021 Track and Field season. We will have a registration night on Friday 9th October, with a planned night of (somewhat) activities the week after on the 16th. With the week after being a public holiday for the AFL GF. All these plans may change with the COVID restrictions and advice to be given.

There is also a plan to run a summer cross country with 6-8 runs over the season. All will be conducted as a virtual run with families running the set course and forwarding their results.
