#### **Junior report by Michelle Hawkes:**

- Well last year was again a little challenging with the COVID situation. Our Junior Cross-Country was on then it was off and then eventually we had an 11-week program which went very well. We only had about 12 kids participate, but it was a great group of kids and they loved it. Most of that group have come back again to the current season, which has just started and is going exceptionally well.
- The Wendouree Junior Track and Field 2021/22 season again went extremely well, we had about 300 kids registered. We were able to hold the junior presentations this year which was great. As we keep on saying every year the junior athletic program is the major fundraiser for the Wendouree Athletic Club and it would be great to have some more help. We must again say a big thankyou to Zac Grainger who came along every single Friday to help it so great. We love Zac's enthusiasm and really appreciate his help each week, as do the kids. Another big thankyou to our parents/grandparents who also come along, and help, Gordon Davis and Judy and Rick Winnell thank you so much. If we didn't have them, we wouldn't be able to conduct the BBQ each week. If only we could get more senior and junior athletes coming along and helping each week.

Graeme question the concept of the Life Members run during the Cross-Country season. He likes the idea, but needs be more advertised. Phil explained there was a bit of confusion with the organisation of that event , and we intend to make it a much better day and advertise it much better in the future.

## President's Report 2021/2022

Well, the 2021 cross country season was another very trying and frustrating session. Corona Virus just wouldn't let up. We started off ok, before being locked down on and off for the whole season. On the plus side the virtual cross-country season went well, with most athletes continuing to compete.

Congratulations to Ian McLennan who was aggregate winner. There were no state cross-country championship races, and all the school competitions were cancelled again cancelled 2021 season.

We were able to compete in the AV Shield track and field season and surprisingly with not many Covid rules and restrictions. It was fantastic to have competition back. Thank you to everyone from Wendouree that put their hands up to compete, officiate and help out.

We had some outstanding performances in the Vic Country Champs. In a quick summary of individual results Wendouree won 20-gold, 15-silver, 14-bronze, 10-4ths, 6 relay medals from 9 teams.

Gold in 3 out of 4 Open relay.

We must also acknowledge the award winners over the Vic Country Championships. Nyajima Jock was the winner of the Australia Day Award, Angela Williams was the winner of the Athletics Chilwell Veteran of the meet award and Stephen McLennan was the recipient of Joyce Lockyer Memorial Shield demonstration of sportsmanship award.

There were quite a few records broken and lots of PB's across the very hot weekend.

The State championships were no different with again lots of medals and PB's.

At the National championships the junior athletes were outstanding and just to mention a couple of athletes Archie Caldow and Lachlan O'Keefe who both won gold medals.

For those who follow our athletes via Facebook and Instagram, thank you to Caitlin Christie who, after many hours officiating, spends endless hours at night trolling through results to post so we are kept informed during and after all the athletes' events.

Thank you again to everyone that helps organise and run the junior Track and Field competition on Friday nights, the participations numbers were back up to normal this year, and we had lots of happy kids and parents.

The junior cross-country competition has started back up again, and we have great numbers this year.

The group of kids we have are so enthusiastic and absolutely loving the competition.

Congratulations to the winners of one of the club's highest awards, the Bill Cleary Trophy (for track season) Paul Cleary was the winner. Thank you, Paul, for your dedication to coaching and all the time you put into coaching the kids and the continued support to the Wendouree athletics club.

In finishing, I would like to thank the board and committee members for another great year, even in the trying times of Covid, we were able to continually work together on keeping the club strong.

Brendan Hawkes

## Wendouree Athletic Club - 2021 Cross-Country Report

Following on from the 2020 virtual season the 2021 Cross-Country Season was again disrupted by the COVID-19 pandemic. The season kicked off as per the scheduled calendar with eight weeks of events able to be conducted before a "circuit breaker" lockdown was declared that placed a pause on proceedings. Within a few weeks competition was able to resume however, with further outbreaks and case numbers on the rise throughout the community, by mid-July lockdown restrictions were reinforced and the balance of the season essentially reverted to the virtual format.

The most significant impact perhaps was on the AV XCR season with only three events able to be held for season 2021. None the less some notable results by Wendouree Athletes were achieved.

Lardner Park:

- 3km Archie Caldwell 2<sup>nd</sup> U/16 (9:49). Teams 1<sup>st</sup>.
- 8km Alison Fidler 1<sup>st</sup> 50+ (35:22); Michelle Hawkes 3<sup>rd</sup> 45+ (34:34).

Cruden Farm:

- 12km Angela Williams 1<sup>st</sup> 45+ (48:51), Michelle Hawkes 3<sup>rd</sup> 45+ (51:03), Alison Fidler 2<sup>nd</sup> 50+ (51:13). Teams – 2<sup>nd</sup>.
- 6km Matthew Catterson U/20 6<sup>th</sup> (20:31), Darcy Williams U/20 7<sup>th</sup> (20:56). Teams – 1<sup>st</sup>. Zac Grainger U/16 8<sup>th</sup> (22:38), Axel Caldwell U/16 12<sup>th</sup> (23:06). Teams – 1<sup>st</sup>.

BRAC competition was also impacted but not before Karla Treweek was able to claim victory in the Roseanne Brisbane Lap of the Lake in a time of 21:49, whilst Archie Caldwell ran 19:15 to place 3<sup>rd</sup> overall in the Steve Moneghetti men's event (1<sup>st</sup> U/16). Angela Williams 1<sup>st</sup> 40+ (22:56), Matthew Catterson 2<sup>nd</sup> U/20 (19:31) and Sophie Hawker 3<sup>rd</sup> U/14 (26:06) also among the medallists.

On a club level a few course modifications were required due to traffic safety concerns and storm damage (Victoria Park 5km, Kingsley Curtis Handicap, Schnyder Handicap, King of the Mountain). Although we have progressively seen a transformation of many of our traditional course layouts, we continue to offer a rich and challenging range of offerings throughout the cross-country season. Of course, it is appropriate to express our appreciation to those make themselves available to mark and provide marshalling on course as well as those that undertake the timing, recording and reporting of events. Our combined events with Eureka provide good practical and social benefits with a healthy camaraderie being established between the two clubs.

With the current season already underway, and a degree of relative normalcy returning to how we are able to conduct the activities of the club, let us enjoy the opportunities we have and make those who joins us feel welcomed and supported to be able to participate in a sport that is arguably in its purest form.

The Cross-Country Committee.

Woodyaths have completed a very productive and successful 12 months; which included the 2021 Cross Country season and the 2021-22 Track and Field season.

The 2021 Cross Country season saw 63 registered members, including 8 registered mums and dads. At seasons end the junior handicap winner was Leroy Burns and the senior handicap winner was Benita Martin (a mum).

Prior to the start of the Track and Field season, we setup a new website ([woodyathletics.org.au](http://woodyathletics.org.au)) in which is still a work in progress. This website includes a new system database and results hub developed by [wichsport.com.au](http://wichsport.com.au). The opportunities of the new website and results hub has included a database and club documents history, as well as posting notices of events and printing performance certificates for athletes.

Over the summer months we were given 2 BBQ weekends at Bunnings, and with our own weekly BBQs raised much needed finances to establish a new equipment shed for our highjump trailer, bags and hurdle trolleys. This new shed is adjacent to our jump pits and we now have plans to raise money to 'beautify' the area with artificial grass, shade sails, seats and table.

The track and Field season saw 142 registered members

Our season consisted of development days, regular competition, handicap day, one-hour runathon which raised over \$1000, and the Haddon Gift (100m handicap). The Haddon Gift preceded our end seasons trophy and awards night. We had 16 heats of 8 lanes, 4 semis and the final. Many mums and dads ran through the season to record a 100m time for their handicap. The seasons club champion (best and fairest) athletes were Kody Emmerson and Ava Ashmore.

The 2022 Cross Country season started off slowly because of wet weather but have been able get a run in each week. We have 46 registered members at present and have given families the opportunity to run as 'Virtual' runners over the weekends. The new Woody Yaloak Football Netball club has u9s and u11 teams in the Ballarat Football Netball competition. Both Football and netball. Many families are tied up between aths and footy/netball; but as the season concludes at the end June, we may see more registrations and more running on the set Friday nights.

As children progress towards becoming a teen and their transition to secondary school; the expectations that some will register with the WAC and to seek specialist coaching from our fantastic coaches. There are 5-6 junior athletes I will be following up with towards the new season

As we approach the 2022-23 Track and Field season, we will be in preparation to celebrate 25 years of the Woody Yaloak Athletics Club

## BRAC

Wendouree recruited well and had many new members sign up prior to the 2021/22 Track and Field season. After a forced Covid related delay to our usual early October start, Round 1 was conducted on Sat 13th Nov 2021. It was great that we were able to participate in all 10 Rounds with no disruptions or cancellations.

In the local BRAC Track & Field competition, Wendouree were competitive all season winning six out of a possible 11 premierships divisions. We won U14 Women, U16 Men, 40+ Women & Men, Open Women and the new Open combined (Men & Women) Premierships. It is worth noting that our U16 Men's team went through the whole season undefeated. ## AVSL

With strong consistent weekly performances in the AVSL competition, we held either 1<sup>st</sup> or 2<sup>nd</sup> position on the Division 3 ladder throughout the season, finishing on top after the final round.

Division 3				
1		Wendouree	240,039	108
2		Mentone	215,039	102
3		Corio	133,849	76
4		Bellarine	137,552	74
<hr style="border-top: 1px dashed green;"/>				
5		Casey Cardinia	105,767	62
6		Knox	113,173	57
7		Frankston	105,363	51
8		Waverley-Malvern	90,739	42
<hr style="border-top: 1px dashed red;"/>				
9		Yarra Ranges	71,623	25
10		Dandenong-Springvale	54,537	20

With the top 4 teams in each division competing in the Playoff, this strong position allowed us to compete for an AVSL Premiership on 5<sup>th</sup> March. Although a few athletes were unable to participate due to Covid isolation, Wendouree had a strong contingent of athletes travel down to Lakeside to compete against Mentone, Corio and Bellarine in the Playoff for the Division 3 Premiership. It was great that each of our athletes were willing to do three events and a relay to maximise points for our club. Although we had close to a full strength team, Mentone had more numbers and were too good on the day, narrowly beating us by just over 3000 points. Final scores were:

### Division 3 Playoff Results:

28-5-2022

Mentone 28,847

Wendouree 25,578

Corio 8,839

Bellarine 893

Congratulations to Mentone and well done to all our Athletes who performed admirably. At the end of the competition when we went over to congratulate Mentone, they complimented us on the way we performed and the sportspersonship we displayed. It's important to continue to be humble in victory and gracious in defeat. Thank you and well done to all our valued athletes, officials, helpers and supporters who made the trip to Melbourne for the day.
